

ASTRA Pharmaceutical & Dietary Supplements Co. Ltd.

*Science with Purpose
Health with Vision*

*Corporate Profile
2026*

COMPANY OVERVIEW

ASTRA Pharmaceutical & Dietary Supplements Co. Ltd. is a leading developer and manufacturer of premium pharmaceutical supplements, dedicated to improving health and enhancing quality of life through science-driven innovation.

With decades of expertise in formulation development, manufacturing excellence, and quality assurance, Astra delivers high-quality nutritional and pharmaceutical supplement solutions for both consumers and business partners worldwide.

Our integrated capabilities span product development, custom formulation, contract manufacturing, private labeling, packaging, and regulatory support, enabling our partners to bring innovative health products to market efficiently and successfully.

Whether developing our own branded products or manufacturing for global clients, Astra remains committed to quality, integrity, and scientific advancement.

MISSION

To deliver scientifically formulated, ethically manufactured, and globally trusted health solutions that empower well-being.

VISION

To lead the future of pharmaceutical supplementation through innovation, integrity, and meaningful impact on global health.

CORE VALUES

Innovation, Integrity, Quality, Partnership, Sustainability, Customer Satisfaction.

OUR CORE STRENGTHS

SCIENTIFIC INNOVATION
